“ Dearest Jo: I could not have gotten this far in the last few months without you and Jeff. For both of you to have embraced me with love and support -- you two kept me going when I didn't think I could ever go on. Jeff was such a kind and caring person and I will miss him so very much. Our love for him is now only a memory that will remain forever. I will be there for you whenever you need me as you have been for me. Together we will find the strength. With much love, Janet##imported-begin##Janet Komacko##imported-end##
