“ Terri,

We were so shocked to hear about Jeff's sudden passing. It has been so very long since we have seen you both. Bill and I have so many memories of those years when we were so young and free spirited. For Bill, whose relationship goes much further back, this has really come as a shock to the system. We all have grown sons now and pray for yours and you during this time of great sorrow. May God's Peace be with you all!
