“ *Jennie I DiNovo. You will be missed by many but never forgotten. In my heart there is a love that will never fade and in my mind so many memories. Mom you taught us to respect each other and to love, and cherish friendship, and discipline when needed, that we should never fight between ourselves because were family and that all we needed was to take care of each other. I love you mom and I'm trying not to cry and keep my head up.*  
*Happy Thought s & Memories*
