They set Tami and I up on a blind date 45 years ago we just happened to be in town and I looked up his name to see if I can get a phone number and found this obituary Tami and I are both shocked we have nothing but fond memories of Jep and Roylene

“ My dear ,dear friend Jep.He had stopped by our place a week before he went home for good. We had our usual BS session for a couple hours. Always a treat to hear his newest joke . And a War story he had not told me yet. I am so glad he stopped by.And I am so glad he left us in such a peaceful way. However I am so sad he and I will not have our BS sessions anymore. Truely a great and good man.I loved him dearly . And I will miss him dearly. Your family are all made of fine people.You can rest knowing they are all good.Thank you for doing that also. Rest in peace my great friend ,rest in peace.Kent And Donna Reed
