“ I did not know Jeremy personally, but I work at the school and many many days I have driven past his home to see him outside playing catch, tag, or some other game with his children and probably neighbor kids. It's a special memory for me because it always evoked a sense of admiration and awe. I admired both his energy, dedication, and fatherly love that was evident in those moments. My heart breaks for the children, but what a blessing to have such loving memories.

“ I am so sad to hear of Jeremy's passing. I met him in elementary school (Black Oak) in the 3rd grade. We had speech therapy together and I had the biggest crush on him. He was always so sweet and kind to me and did not care about my speech problem. My condolences to his family. May his sweet spirit live on and he rest in sweet heavenly peace.

“ I met Jeremy a couple years ago and he quickly became one of my closest friends. Jeremy had many good qualities about him, but the ones that stuck out the most to me were; the love of his family, which he spoke of often, his true friendship, his proud work ethic and his wonderful sense of humor. when Jeremy left our company to pursue a better career, I missed working with him and now I will forever miss my dear friend.  
*my deepest sympathy to his family.*

“ Jeremy was an excellent CDL Examiner here at Pro Safe. He was liked by us all. I know he was extremely happy with his job and was always happy to be here. He was cared for by everyone that knew him. He touch so many lives here and helped people get their futures started in the trucking industry.

*It is truly a sad time here at our company especially here in South Haven where he worked. He was a top notch employee and became part of our family really fast and we all became good friends. He loved to go shoot pool with us and have a good time after work some days.*

*Our love goes out to his entire family. He loved his kids so much he talked about them every day he was here. He brought our spirits up and was just such a joy to be around. We will surely miss you. But know you will always be in our heart. You have earned your spot on the wall of memories here at Pro Safe.*
