

Jeslyn "Jess" Danielle Hohenberger

May 28, 1999 - December 11, 2020

Jeslyn "Jess" Danielle Hohenberger, age 21, of Chesterton, passed away suddenly, on December 11, 2020. She was an 11, when perfection stopped at 10. She loved music and the arts with every bit of her being. Jess enjoyed painting & drawing so much, during which time, she displayed some of her many talents. The paint brush & guitar, were the ways in which she could express herself in strokes on canvas and on the strings of her guitar. As a young girl, she was so taken by her love of horses, she was riding Radar, bare back, at the tender age of 3. She learned to swim at Kim & Jessica's and ride a mini kids bike by the time she reached 4. In grade school she learned to play the violin, by the talented Mr. Tom Schnabel. Her favorite teacher was Ms. Allison Yagodnik (Seely), who recently told me what a sweet & friendly girl she was, and that Jess will always hold a special place in her heart. Jess sang in choir and ran track in middle school. High school was all about Art class, in which she was able to pour her heart & soul out, into whatever medium she chose. Painting, drawing, and sculpting to name a few. I will keep her treasured art work with me, until such a time that I am called to meet with her again. High school also meant great friends & meeting the love of her life, Colin, whom she loved & cherished with her whole being. She promised her heart to him last Christmas, I'm grateful she had the opportunity to experience amazing love, in her short life. She is with God, and all her loved ones who have passed before her now, which gives us some comfort knowing she will be accepted & cared for every day from now on. All my love sweets, your Dad

& I will love you forever.

“ Dearest Brenda and Tom,
It's been so, so many years since I have seen
or spoken to you. I lost my breath when I saw
that your beautiful daughter was called Home.
Brenda, I loved you so much back when we
bartended together, never was there a better friend than you. All I
remember you saying to me over and over again was how badly
you wanted to meet a good man and have a child of your very own.
And then, by the grace of God, you met Tom. God always puts us
right where we need to be.

As I read your loving Eulogy to your daughter, I was awed by her
many accomplishments and special gifts. Knowing you in the way
that I did, I have no doubt that you and Tom supported and
encouraged her in every way possible. A parents love has no
bounds!

May the White Light of the Holy Spirit hold you both very close and
comfort you, now and in the days ahead. I will be praying for you
both and your family. I am so terribly sorry.

May your dear daughter rest in Everlasting Peace. Amen

With Deepest Sympathy,

“ Tom and Brenda, I am so terribly sorry for the loss of you daughter. I will always remember Jess as the little girl that rode the bus home from school with Sierra in grade school. I would watch her til her dad picked her up on his way home from work. I saw her in downtown Valpo about a year and a half ago, and she knew who I was. We talked for a little bit, and I met Colin. I know your hearts are breaking, and I pray that God gives you peace that passes understanding.
