“ 1987.... He and his wife saved a litter of beagle puppies. My family was lucky enough to get the last one. I will always be thankful for him, because he gave me the companion "Bridgette" that I grew up with. Without her I probably wouldn't be here right now. She warned my parents on a few occasions about my seizures that were either about to happen, or were happening.

The true measure of a man is how he treats his wife and his animals. And from what I can remember, his wife was well taken care of, and his dachshunds had the run of the house.

Larry was a good man, he will be missed.

“ So sorry to hear of Larry's passing. Although I likely have not seen him since the halls of Lew Wallace, it was comforting to know my godson married into his family. My condolences to his wife, Jason and Kim and all his family and friends. R.I.P.. Joyce (Pest) Kerley

“ *So sorry to hear of Larry's passing. He was always smiling and you could tell he loved life. During the kids soccer years he would support every kid out there no matter what. Later when my bus route passed his house for years, or just driving in town he always had a smile and a wave. He will be missed.*

“ *Godspeed Larry. You will forever be in our thoughts and in our prayers for you and your family were a blessing to the neighborhood, the house where every kid on the block wanted to play, the kind of place they felt safe and always welcomed. Generous, kind, funny, helpful, honest, and unconditionally giving and thoughtful. Thats what the Gutierrez name represented. Many great memories! May your memory be eternal. I will always remember Larry...He was truly an amazing man. I remember when he and Pan got married. Although I didn't spend much time with him , he was an integral part of my family. I will miss him. Pam, may the Grace of God give you peace and serenity at this time. We love you.
