“ To my first born Jimmy Jr. I loved you from the moment you were born. I would hold you in my arms all day long . I was so fascinated by the softness and smell that I never wanted to set you down. And now I have to let you go. I never expected to lose you. What am suppose to do? I will never be able to talk to you or see your smile or hold you tightly in my arms. But I have a little peace knowing that you are in heaven with grandma. She will be with you now and be able to hug you and love you. I will miss you so much. A part of my heart is gone forever. I love you so much son. Till we can be together again. Love...your mom
