“ *Joanie was one of the first people I met when I joined Exchange, she was such a kind soul and no matter what was going on in her life she rose to the challenge of helping others. My deepest condolences to her family, many of which I have had the pleasure to get to know. Her light will continue to shine brightly in all of you. To Sal, my heart is so deeply hurting for you, but she will always be with you, I have learned through my own loss.*
