“ *Joan will be missed by all of her family and friends. She was a great lady that always put her family and friends first.*

*I remember when my dad retired from the service and we first moved to Indiana. We were looking for a house, but had no place to stay right then. Joan took us in with open arms and treated us like her own family. I don't know where she got all her energy from cause we were a hand full at times. She always made sure us kids had everything we needed. She was like a second mom to us.*

*I am glad i was able to visit with her last year when i came back home to see my daughter. As always she got the coffee brewing and got out the cookies for us. We had a long talk and looked at pictures from the old days which she always enjoyed.*

*I am sorry i cant come down for the funeral due to health and financial issues but my heart will be with all of you. Love and miss you all.*
