“ *My aunt Joanna was so much more than an aunt to me. She was a friend, confidant, and a second mother. She was one of the finest people I knew and I was so fortunate to have her in my family. I already miss her tremendously, but have so many wonderful and loving memories. We had so much fun during our travels throughout California and I count those memories as some of the best of my entire life. Always the first one to laugh and joke, she inspired so many others with her joy of and zest for life. She had so many friends due to the fact that she was such a great friend to those who were lucky to call her their friend. I pray that her other family members can come through this difficult and heartbreaking time with the peace that she is with God and her loved ones that passed before her. Rest in peace, Auntie Jo. You will be with me always.*
