“ *His love for his family is everywhere around them. In memories, photos and most of all in his children. When you see them, hug them a little tighter and a little longer, that way you can also hug him too. Hug his parents for the same reason. He left this world way too soon. Heaven got an angel too soon. He will forever and always be loved and missed.*

“ *I remember John when he was 5 he would come to my parents house and ask if Ralph, being 16, could come out and play. Though it hurts to let him go, we know he is in a better place. No more pain. He is up there smiling as he feels the love of the ones who are mourning him. He will live as long as we talk about him and think of him. May his family take comfort in the fact that he will no longer suffer with pain. Our hearts may be heavy but smile when you think of him as I know I will. My deepest sympathy to the family. “ *He always made me laugh, especially at Mi Tierra when they would come in to eat, him and Karla and his daughters. He was a joker, and I think he will be hard to ever forget, I'm so sad for him to not be able to get to see his baby grow up, and be with her through all of her life happenings. Will miss him!
