“ John was always there for me no matter what he was doing and he was a wiz at any plumbing repair. He would listen to your problem, tell you what and when he would correct the issue. He will be missed as a worker and a friend. So sorry Gail for your loss. Your neighbors Jerry and Judy Popiela

“ Shared many good memories with Johnny and Gail. So much fun on our many vacations in Mexico and Punta Cana. Johnny was always a kind and generous man and we have so many fond memories. Countless Friday nights, hoping to win the "big one". Johnny was always up for a party and time with friends. We will miss him so much, but are so thankful for the times we shared with him. Rest in Peace dear friend. Our love goes with you.

“ Uncle Johnny was somewhere between a big brother and 2nd father to me.

My brother and I worked with him quite a bit when we were kids...he was patient (well, more than my dad) but more importantly, he was kind. It seems small, but he knew when my brother and I were wearing down and he'd go to the 7/11 and bring us back some snacks and ice cold fountain sodas. Made all the difference in the world.

Always had a smile on his face...I will miss it.

Godspeed John...say hi to Uncle Frank for me.

“ I was a student of ms Gail's and contributed her to the path I've taken in life.You see she share fond story of her Trips with John in class . She even listen to our stories . She told you like it was and we listened. I enjoyed her story and it made our stress about test away. I knew she loved her John because her eyes lite up when she talk about him. Never met John but We all felt we knew him thru her stories. My deepest sympathies Gail and family from your former student Shari
