“ *In this moment of loss, may our loving God comfort you all. John was only with us at Saint Anthony - Majestic Care for a short time. I got to know and witness his wife (Judith) and daughter (Tina). They were at his bedside every minute of the day. Their love for John was a unique expression that was an inspiration to me every day. I was honored to journey with Judith and Tina and everyone that visited with him while he was here. May God Bless You All. May John Rest In Peace.*

Thank you so much for your kind words, I wish I could've been there each day as well but it was my sister, Tammy and not me. I was the one who setup hospice so it was easy to confuse us, everyone at Majestic and Hospice were wonderful with my dad and I have such gratitude for all that you did to help in his care. Tina
