“ *He was one of the best partners I've ever had in life. He was my best friend and always supported and protected me for as long as he was alive. We went to anime conventions together, went on awesome dates, and I wouldn't trade my memories with him for the world. - Yami Enzeru*

“ To John's family,

*I had John his senior year for Government and Econ. He could make me laugh on my worst days! I will never forget his ingenuity, his work ethic, and his ability to make people smile. I am so very, very sorry for your loss. May his precious memory be eternal.*
