“ *Onkel Hans, you will be missed by so many. We always appreciate the times shared with our families and friends. The best times were the picnics and the card playing. I know you were there planting trees the day I was born. Just remembering that brings a smile to my face. Even though I cannot be there, I am there with you and the family in spirit. I know one day we all will meet again, but until then may you Rest in Peace.*

“ I want to send my heartfelt condolences to Tante Regina, Erhardt, Anne, Joanne, Randy, and all of the kids and extended family. Uncle Hans and Tante Regina were like a second family to Erika and I. Our families created such wonderful memories together ...the parties, picnics, dances, holidays, birthdays, and of course all the wonderful German food! Uncle Hans and his family represented such a big part of my childhood. My dear sweet Tante Regina, my thoughts are with you...you are such a kind and sweet woman, I send you my deepest sympathy! Anne, I wish I could be there in person to give you a big hug, please know that I am thinking of you. Uncle Hans is now in heaven with my parents, he is not alone, they will watch over him and they are probably eating homemade sausage and playing pinochle as I speak. Uncle Hans, rest in peace...until we meet again...❤️
