“ Johnny Martinez employed me for the past 15 yrs to maintain cleanliness in his home. It was a pleasure to assist him and lil Johnny. This is a home of many loving pictured memories shared in each room of family and friends.

This home has many rooms to chairs and tables ready for johnnys loved ones to laugh, cry, celebrate and be entertained in with one another. ❤️ I am appreciative for our conversations, allowing me to jam out while cleaning and always making sure I had what I needed to do this job. It had been a lot of years I have been in his house and seeing him at least 2-4 times a month. I will miss him as I considered him part of my outside family circle. I did my best for such a honorable, honest, man. I definitely am sad yet may God be the Glory for the time allowing me assisting him. Rest In Peace Johnny. 🙏
