“ *My Mommy How much I'm gonna miss you! My heartaches knowing I won't see you again. I still can't believe you're gone! You were a wonderful mother you gave us love care and most of all you! Whenever we needed anything you were there for us raising us kids alone just proved one thing you were a strong mother and we all learned from your strength. I have alot of regrets in my life but my most regret is not spending more time with you! But know one thing mommy I love you so much . And I know I'll miss you forever! I knew one day you would had to leave me but nobody is prepared for the pain we feel when our parent leaves us.. They say it gets easier in time but I know I will carry this pain ALWAYS.Mommy please watch over me and help guide me in the right direction. Hug me in my dreams and tell me you love me too! I love you Mommy rest in peace 💔*
