“ *Joe and Cindi were one of the first neighbors to reach out and welcome our family 13 years ago into the neighborhood. Our family will always remember Joe as having a smile and a friendly greeting each time he saw us. He loved to host a party with family and friends. So many fond memories we have of him. He will be missed. Sending our love, prayers and sympathy to Cindi, Alex and the family.*

*I will always remember Joe, he was my "go to" contractor. He just got things done with no hesitations. He was the nicest guy you would ever meet in the construction industry. We had lots of adventures together building Cricket stores across the country, He is Greatly missed.*

*Bob and I always sat at left side of the bar by the door to patio. That is where we met Joe. A funny, bar sitting, opinionated, non-PC speaking, Chicago sports fan, lovable real Man who more than anything loved his family. Cindy and Alec were his world. We sat at the bar often with Joe. It was our pleasure to share those times. Such a fun & funny man, kept things real, loved our conversations! Our sympathies are with you Cindy & Alex. Our next drink at the bar will be a toast to Joe!*
