“ I was fortunate to have had Mr. Heuer for 4 years at Crown Point High School while taking the Drafting and Achitectural classes. He is in my opinion, one of the best teachers I have ever had including many of the professors while in college. I enjoyed his wit and his dedication to his field of teaching. I will be forever grateful and blest to have had such a Great teacher and friend.

“ Oh, just recently heard about Joe! Donna, I am so sorry for you loss. It has been a privilege and blessing to get to know you and Joe in being Part of our Special Adults group, C.R.E.E.D at Bethel church, these last several years. You servants heart and compassion for our DIFFERENTLY ABLED adults has been a gift to all of us there. I marvel at you consistantly serving, using on Sundays. Such an encouragement you have been to me when my own challenges make me want to give up. I know your heart for the Lord Joe and am encouraged that you are well now and we will meet again! To all of your family left behind for now, I am sorry for such a loss you must feel....for now. I am praying that each of you knows the Lord as Joe and Donna do, so reunion is there for you too! Dear Lord, please hold and comfort all who will be missing Joe here and now. Thank you for allowing me to know Joe and Donna, AMEN. Sherry Quinn

“ I am so sorry on hearing of Joe's death. I remember when you and Joe would stop by while you were out bike riding to see how Kristy and I were doing during a rough time in our lives. It truly meant a lot to me.

*I wish you peace through the good memories of your life with Joe.*

“ To my Heuer Cousins! I will always remember when Uncle Joe and Aunt Carolyn came to visit us in Scotland. It was 1991 and they came with my dad, Duane, and Dorothy. Uncle Joe was there to play Golf and play he did. To his frustration, the golf course was built on the side of a hill. It was a challenge to play, but I think he liked playing in Scotland, the home of Golf. I'm sorry for your loss, Cousin Jennifer

“ I am in complete shock as I just now find out about the passing of my friend and mentor Mr. Joseph Heuer. Joe was a lifetime member of Crown Point High school Alumni Association and more importantly a Crown Point Alumni Hall of Fame Inductee. Christine and I will always remember his friendship and love of life. Our hearts go out to Donna and his entire family and friends. May the Peace and Love of God be with you always.

“ *Mr Heurer taught me one important lesson. In spite of his diligent attempts, I was not destined to be a draftsman. He had a wry sense of humor, and a wicked menthol cigarette habit, which garnered him an unfortunate nickname, which shall henceforth remain unspoken, as I toast his forbearance this eve, with honor and respect.*
