“ Hi Lora, I don't know if you remember me, but this is Freddie Anguiano. Me, my dad Urbano, and my brother Juan use to help out Joe painting and fixing some of his houses. I'm very sorry for your loss. Joe was a great man with a brilliant mind, used to tell me great stories when I worked with him. Our prayers go out to you and your family during this time of our need.

*Sincerely,
Freddie Anguiano.*
