So sorry to hear about Dad/Joe. He has been a part of my family for 50+ years. Will always remember his 64 El Camino. Matter of fact, I still have the shirt that was made up with the picture of it on front that said Joe's Toy. He loved that car!! He was driving by our house one day when my brother Randy caught his motorcycle on fire in our garage, and he stopped to help, I think I was in 3rd grade. Wow, how time flies. He will truly be missed by all. Love to you all.

“ Dear Karen and family,

Steven and I wish to send you our sincere condolences at the passing of Joe. He was truly a great man with a great sense of humor. Steven still calls him "Uncle Joe" to this day and remembers the rides he would give him in his red Impala convertible.

Sincerely,

Marcia and Steven Jones
