“ To Beth, Jimmy and Brenda my ❤️ is with you and your families. I loved Joe and he always made me smile when I would see him. His little laugh and smirk, his amazing sense of humor, later his white board of smart comments, his card games and love of sports, his appreciation for his caregivers and loving aunts. My mom adored Uncle Joe and always had such a soft spot for Joe, Beth and Brenda. I am grateful Maggie and Cal got to know Joe this summer and that we were all together! Love to all the caregivers. I know how much you gave to Joe and I know he appreciated you so for it. Peace to you and love. Barb, Arnie, Maggie and Cal

“ Beth, Jimmy and Brenda, on behalf of the Ralph and Shirley clan, our condolences to you and the family. Was so great catching up with everyone in June, those opportunities allowed me to get more fishing stories from Joe.
Hearing from my brother Ralph that got to bump into Joe often, totally agree with cousin Kathy on that positive attitude, I hope to take away his lessons in that regard.
We'll miss your bro, I'm sure he's saying GO IRISH (we tipped back a shot of Jameson at last weeks kickoff). RIP!

“ Well, Burns got it wrong! I hate being called Mary and not Mary Kay!! After all, I was named after Aunt Kay.❤️

“ Hi Beth, Jimmy and Brenda,
With Joe, I have the fondest memories of eating hot dogs for lunch at Grandma's kitchen table. We were visiting and you walked from St. Luke's for lunch. And then, of course, playing cards with all of you and Grandma anytime of the day or night!
Good stuff to reflect on in this time of your hard loss.
Love,
Mary Kay

“ Out of the 127 trips to Shitcago as Joe called it , was going home and getting stuck at toll booth behind a semi . I was tired not really paying attention when Joe hits me on the arm pointing at the semi as it starts backing up heading towards my beloved Cooper ! Throw in reverse, brain action !!! Screaming OMG OMG backing up into oncoming traffic ... Joe not doing anything , sitting , doing that wheeze laugh as I maneuvered the car over enough so the truck driver could see me in mirrors. Me Barely breathing he writes on his board “ great driving you did great Beth Anne , I taught you how too drive didn't I ? I looked at him and said NO and we both laughed . We called ourselves Joe and Bettye 🤪

“ As a kid I always thought that Joe was so much older than us. Now I realize how close in age we all were growing up. Joe and I bonded later in life as cancer survivors. Too bad he lost his battle but I know he is in heaven to ensure I continue to win mine. Your family - Beth, Jimmy and Brenda - can tell a funny story - just like your dad. One of the funniest stories I ever heard in my life was Joe telling us how he lost his teeth fishing in Lake Michigan and couldn't get the Coast Guard to understand the he lost his teeth NOT his keys! And he lost them yelling at the seagulls who were flying over his boat that they may get his fish, but they weren't going to get his teeth. And with that, the teeth fell into the water. I can still see him today telling us that story and it makes me smile. That is how I will remember Joe. Making me laugh. Also, Joe was so appreciative of everything that anyone did for him. When he said thank you, you knew it came from his heart. My mom and Miriam were so good to him and he loved them so for it. I know the family is having a good time at the table in heaven. (I still think Joe was Grandma's favorite!)

You are all in my prayers.

Love,
Patty

“ Joe really was one of a kind. He had a deep love for his family. He had a passion for sports. Especially fishing:-)). I have many memories of fun times together that I will always remember. My sympathies to Beth, Jimmy, Brenda, and you families. You are all in my thoughts and prayers. As Grandma said "Pray for me and I'll pray for you, and may we will meet again in heaven." Love you all Miriam. (Or should I sign "My Miriam"). ❤️

“ I'll always have a spot in my heart for Joe. Even though we didn't see each other very often or for very long, he always made me smile. I'm so grateful we got to hang out this summer. Deep peace to him and big love to Brenda, Beth and Jimmy.

“ Beth, Jimmy, Brenda and your families, I'm so sorry for your loss, it's a loss for all of us. I'm so glad we were all together at the family reunion this past June. At the time, we all feared it would be his last. He really gave cancer a battle, to the point that we thought he could win another round. Joe was a true Fighting Irishman! We were praying he could beat it again, but this time God had a different plan. There will always be a lot of good memories, laughs and stories with Joe. I will miss him and his funny texts (mainly about sports). Joe had a big heart, even if it was malfunctioning :). Love you all, hope to see you soon. XOXO Cheers, Sharon

“ Beth, Jimmy, and Brenda--It's hard to find the right words at a time like this...the only comfort is knowing that he is no longer suffering--but rather partying right along all the other crazy Settle's in heaven! I'll bet he's already got a card game going with Uncle Tom!! You guys are in my prayers every day. I love you all. Kathleen

“ Joe was the greatest example of faith in suffering. Will never forget his heroic fight to live and his attitude toward living. Positive all the way! I say “well done Joe”. From Cousin Kathy.
