My mom will be waiting with open arms to welcome her.
I'm sure they'll get a softball team started together. We will hear the base hits or homers every time it thunders. 💕💕

Joyce and I not only shared a first name, but we were connected in other ways as well .She was a part of our card club, we worked at County Line Orchard and in more recent years, we volunteered right alongside each other at St. Mary's. She spent many a lively time cheering at the Railcats games with John and I. She has given me many memories to keep her close in my heart for the rest of my days. It is my hope that her many good memories with her family will keep her alive in their hearts forever.
