“ *Faye and I wish to send our deepest sympathies and love to the family. Aunt Juanita the spiritual patriarch of our family, has a personal relation with our Lord and Savior. I personally among other family members have benefit from her prayers ,heard by our Lord himself. I want to thank her and Uncle Kenneth for raising my mother And never Abandoning her. Uncle Kenneth, uncle Pauline and many of our loved ones are celebrating with her now. The solace I feel is my mother (Peggy) hugging her this moment.*
