“ *So sorry for your loss but such a privilege to take care of such a special lady. I'm glad we were able to get her to a comfort level to pass. So many tears were shed the Friday before but Penny (Tippy) brought so many smiles to all your family members even if for a short time. Thank you for allowing me to take care of your family member. It's experiences that never leave us. It's never goodbye it's see you later.*

“ *Judy was a wonderful neighbor and she took upon herself the responsibility of keeping the neighborhood children safe that played at City Ball Park. Her vigilance saved a young boy from a sexual predator who had placed him in the trunk of his car. She made it clear that Mark and I could count on them for help when we moved to the block with our young family. She took pride in our sons as they grew as if they were her own grandkids. I enjoyed visiting with her whenever I saw her. The neighborhood seemed less friendly after they moved away. Judy will be greatly missed by all that knew her.*

“ *I planted a tree for Judy, so it could grow as strong as she always was. I grew up with Judy, and when my parents moved away for a year, I became a part of the family. Thank you Judy, for the visit we had together in May. I was glad I got to spend the time with you. You are in my heart.*

“ You are one of the best moms ever, Mrs. Hollingsworth. I was so fortunate as a young girl to have counted your daughter, Cindy, as a friend, as we'd play Barbies for countless hours. As years went by and I'd see you, you'd always remember and ask about my mom and dad. You were always so very kind. You've left a legacy of kindness here as you celebrate with our Lord.
In love and remembrance,
