“ *Two things are inextricably linked when I think of your mom-- haircuts and her unwavering affection for all things Tom Cruise. The first embodies her creativity, from which the entire neighborhood benefited! The second illustrates her commitment and loyalty to all those she loved and cared about. We are deeply sorry you lost her so early in life's journey but know you will carry with you always what you learned from her. She was a lovely person, uniquely Julie, and will be greatly missed. Fondly, Kippy, Jerry and Becca Keller*

“ *Julie a strong driven courageous outspoken beautiful soul I am so blessed to call my friend. She was giving artistic talented and altruistic to her family and friends. She is an inspiration for all and the world is a better place for her 54 short years of living. God has called one of his saints home and now heaven is enjoying her boisterous lovely presence. I love you Julie and I can't wait to join the heavenly party! Cindy Palmer Hemesath*
