“ *Julie was a wonderful person, much more than a nurse I assigned cases to. Always a beautiful smile and joyful spirit. Glad I had an opportunity to get to know her more as a person. She was always thoughtful and would ask from time to time about my son and even assisted me with health issues I was going through; a true nurse always on duty. She will be greatly missed, my heart is heavy. Praying for her family and loved one she leaves behind. Rest on Julie!* ”
