

June H Miller

September 6, 1933 - February 22, 2016

June H. Miller, dear wife to my father, Donald H. Miller. Joined him in death, February 22, 2016.

She was a mother of two children my brother Michael (Kimberly) Miller and I, Donna (Jan

Michael) Eckelbarger. They have five grand children, Michael Jr, Michelle, James, Bridgette

and Kris Anne. They have five grandchildren, Luke, Sylvia, Preston, Evan and Kyliss. She has

two sisters Irene (Francis) and Ruth Ann Mark. And preceded in death by her older sister Jean.

My mother was born in Trinidad, Colorado in a coal miners camp. Mom and her family moved

to San Francisco where she grew up and married my father. Both met while working in the

downtown theater, she as a cashier and he an usher. They continued in a long marriage until

he rested in death October 20, 1995. They resided in Modesto, California at the time. Then she

came to live in Portage, Indiana for the past 14 years. She was extremely active at Golden

Living-Fountain View in Portage, Indiana. She met live with gusto, excitement and laughter.

She was always ready to go and always welcomed good food, any type of entertainment and good-hearted conversation. She was known lovingly as 'June Bug.' She will be forever in our hearts and our memories as mom, grandmother, auntie, sister and June Bug.
