Anyone who knew K.C. would tell you just how big of a heart he had. He loved his family dearly and wanted to give the world to each and every one them. Friends far and wide have offered their sympathy and deepest condolences to his family. It really is a testament to the love and respect K.C. showed to everyone. When K.C. wasn't making people laugh, sometimes to the point where you cried, he was online playing his favorite video games such as Halo, Diablo, Bloodrayne, Dantes Inferno, Knights of the Old Republic, etc, or hanging out with his friends. His love for music was a special bond he shared with all three of his siblings. Breaking Benjamin, Slipknot, Bullet for my Valentine, Hollywood Undead, Deuce, Linkin Park, Submersed, P.O.D and

Korn were some of his absolute favorites. When it came to holiday's, his favorites were 4th of July, Halloween and Christmas. This is when you really saw the sparkle in his eyes. Regardless if he was waiting for the Easter bunny, shooting off fireworks, dressing up as his favorite characters, or gathering with his family for good times, good food and good cheer, he made every holiday special. K.C. will be missed more than he ever realized, we know he's in the most amazing place now and is watching over each and every one of us. Our Guardian Angel...

Cremation services will be private for his family, but we will be organizing two Celebrations of Life so friends can come and speak of their special memories and wonderful times shared with K.C. One will be in the coming weeks in Crown Point, Indiana and another back in his hometown of St. Louis, in the spring. We will be sure to let everyone know as soon as we have everything in place.
