“ Karen, I met you in 6th grade and we were very close in Elementary and Junior High; however we drifted apart during High School. We were neighbors and rode the same bus. You will always be a wonderful friend to me and it makes me sad to know that you are gone. The thing I remember most about you was your kind heart and warm smile. I wish we would have stayed in touch and never drifted apart. I regret letting that happen. I find comfort in knowing you are in a better place. I wish your family many condolences in a time when things seem to be at its darkest. Things will get better. Slowly, with time. I wish you all the best and send many prayers your direction. Love you all, Kelly J. Kljajic (Belmares).##imported-begin##Kelly Kljajic Belmares##imported-end##

“ Dear Family of Karen,

It is with heartfelt sadness to learn of Karen\'s passing. She has been our mom\'s day nurse at Whispering Pines Nursing Home since our mom came to live there in May of 2007. Our family has come to love her for her compassion for the elderly, the care she gave our mom, her calls to our homes saying \\'This is Karen from W.P. This is a non-emergency call.\\\' Her love and skills for taking care of our mom made us feel so good that she was generally the day nurse in charge of her. We will always remember her smiling face, her cheery attitude, and for being a wonderful LPN. Know we appreciated her so much. She will be greatly missed and thought of often.

Sincerely,

Ann Shore\'s family
