“ *My cousin Karen was like a big sister I never had. She included me at a young age to hang with her friends at the local root beer stands, at the bowling alley and various other places where her friends would hang. All of this was between her and I, and I never discussed any goings on with any of the family. She always took us out on halloween with memorable visits with her dad, my uncle Joe at the VFW, or the fire station. I am sure she is at peace. Thanks for everything, Karen Cousin Ted Bortolini*
