“ *Grandma.....Its been almost three weeks since your passing and it still feels that it happend yesterday. I think about you often and miss you dearly. I miss our phone conversations during the week and comming over to your place for lunch. Your passing was a big surprise to all of us and I wasnt ready to let you go. But I know (for sure) that you are in heaven and in peace with your friends and family who have gone to their rest before you, especialy your sister and mom.*

Its really diferent now not having you around. So many days when Im driving home from work I start to pick up my phone and give you a call. For a moment there I think you are still with us. You meant so much to me and our family grandma, thankyou for everything you have done for me and us. Untill we meet again grandma...I love you so much.

*Your grandson,
Harry*
