“ *Not only did we lose a special person, wonderful cousin but, also a camping buddy. The times we spent in Michigan's UP will stay in our hearts forever. George & Kathleen once took us back into the woods and I never thought we see a main road again. It was dark and scary (at least for me) but George got us out and Kathleen showed no sign of being lost. Of course, she had been on this road before. Our prayers go out to you.*
