“ Kathleen was my first playmate when we both lived on Lincoln St in Gary. We loved dressing up and playing with our dolls. That was 74 yrs ago and we kept in touch with each other all this time. I saw her two weeks ago when I took her lunch. She was hungry for sloppy jos, potato chips, cherry pie and white cake. I took her every thing she asked for plus various salads. She said it was more than she had eaten in a while. We laughed about things we had done and had a great visit. We hugged and kissed each other and told each other that we loved them. She will be sorely missed by the hundreds she met through her life. Her love and devotion to God was true and inspiring. Have a good journey to Heaven above. I will miss you dearly. Until we meet again.

I agree 100% with all that has been written so far. A wonderful person, wife, mother, grandmother, friend and example of what all women should strive to be. Love your family. God Bless,

I can hardly express how deeply saddened I am to say goodbye to my dear sister in law Kathleen. Being with her made me feel closer to Dan. The void she leaves will never be filled. Rest in peace and know how dearly you were loved by all. You will be missed by all who knew you.
