“*Katie. my little sister. You were in third grade when we met. I watched you turn into a gentle, sweet soul. You raised an amazing daughter. She will be your greatest legacy. Words cannot express how much you will be missed. Love is stronger than death, and I know God had other plans for you, but I also know you'll be watching over Cassy and her bright future with Ward. You will be missed more then you'll ever know. Rest in peace sweet angle. Ang.*”

There are no words to describe how much I loved you, from our first date July 19, 1996 through the 17 years we shared together. I never stopped even though we divorced 6 weeks ago I still loved you with my whole heart in good times and bad. My heart is broken and I will always remember the many wonderful times we shared
