“ *My heart is broken. Kathy and I shared so much together. We were always sharing the good, the bad and the ugly. We were alike in so many ways, especially our political views.*

*She was so much fun to be with. We went to lunch quite often and even though she perused the menu, you can bet it was chicken strips or a hamburger. I have so many great memories of our times together...*

*I want to add that she was an awesome baker and made the best apple slices ever. I will never forget her and I miss her more than words can say...*

*Nothing will be the same anymore....*

*Kathy, you were the best friend ever...I hope you're in my welcoming party when Jesus calls me home. I love you girl!*

“ *God says your blessed to have a good neighbor, I was blessed to have Kathy as mine. I will miss our talks over the fence between our yards, the cookies and baked treats every Christmas she would give me and the friend always willing to lend a hand when needed. You knew my Grandkids since they were little, playing in my yard and waving to you and saying hi. You were a caring person who would call to check on me after a hospital stay and send a meal over. Yes, you will be missed, but you're in good hands now. Thanks for being such a Great neighbor and friend. Dave Susko*

“ *My dear Kathy, so many fond memories, the lunches complete with arguing baseball and politics, the many misadventures Chuck and I had that tested your patience, the famous ravioli incident. The time I scared off a stranger at your apartment when I was there skipping school!*  
*I will miss you forever*  
*I love ❤️ you, Fred*
