“ Our memories of Keith go back 49 years. There were three of them: Keith, cousin Nathan and cousin Jeremy. They shared their childhood and each grew up and became husbands and fathers to be proud of. We will always cherish the memories of that time. Uncle Ian and Aunt Kathy. All our Love.

“ I remember when he and my sons used to film goofy videos. In one of them they were portraying a band and he was using upside down dresser drawers as drums. I remember his smile and his kindness. He was very dear, and I wish I had one more opportunity to hug him tight!
