

## Kelly Ann Glivar

November 9, 1961 - July 8, 2017

Kelly Ann Glivar, a remarkable woman known for her intellect, kindness, beauty, and laughter, lost her battle with breast cancer on July 8th at the age of 55. A long-time resident of Chicago and previously of Crown Point, IN, she is survived by her mother, Ann, father, Bill (Mira), brother, Billy (Alma), nephews Nolan and Justin, Uncle Edward (Margaret) Tuohy, Aunt Sharon (Jim) Adler and cousins who she loved deeply, and a group of loyal friends who adored her. Kelly graduated from Crown Point High School ('80), Purdue University ('85) with a degree in chemical engineering and earned an MBA from Northwestern's Kellogg Graduate School of Management ('96). A long-time employee of Abbott Laboratories and a retiree and Senior Executive of its spinoff Hospira, she was regarded for her leadership, business and clinical acumen, and above all, respect and compassion for others. She was a Member CFU Croatian Lodge 170. She enjoyed the adventures of travel, especially Paris, and spending time with people she loved. Her laughter rings in our ears and our love for her remains in our hearts. “ I worked with Kelly years ago at Hospira and she was always gracious, generous with her time, and truly tried to help make my job easier. She was well liked by many at Hospira for all those reasons, and I only recently learned of her death. My thoughts are with her family. Kelly was truly appreciated.

“ Dear Bill, Ann and Mira,  
We are so sorry for your loss, our loss. We are thinking about you, praying that God console your aching hearts and be comforted that death does not win. This is not the end of Kelly's story but the beginning of an eternity with God who embraces her and welcomes her home. May God bless you, strengthen you during this difficult time.

*Isaiah 41:10 'Do not fear, for I am with you; Do not anxiously look about you, for I am your God. I will strengthen you, surely I will help you, Surely I will uphold you with My righteous right hand.'*

Love,
