

Kenneth Michael Takacs

April 2, 1940 - June 1, 2023

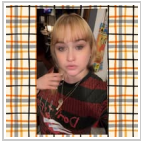

Kenneth M. Takacs, age 83, passed away peacefully on June 1, 2023. He was born on April 2, 1940, in East Chicago, IN. In the 1950's, Ken and his family moved to Highland, IN where he made lifelong friends on both the football and basketball teams at Griffith High School. Ken worked in the steel mills to support his mother and sister. He entered the United States Air Force, where he became a mechanic working on B-52 airplanes that would go into battle. When he returned, he discovered what would be his lifelong career at Prudential Mutual Co. Although he found admirable success professionally, his greatest achievement, in his own words, was his son- Steve. Ken always spoke of how proud he was of the man Steve became. Ken was a passionate man who loved fiercely. He enjoyed fishing in Minnesota and Canada, as well as golfing in the region, He was also an animal lover. Ken was surrounded by love in his last days, in the form of his caregivers in memory care. Dan, Nikita, Angie and Ebube were his favorites and brought a smile to his face daily, even when it was a hard day for him. We are forever thankful for the care they took to make sure he was comfortable and happy. Ken left a mark on many and will be greatly missed. Ken is survived by his son- Steven Takacs (Taryn), ex-wife- Ginny Takacs, sister-Kathy (Bob) O'Leary; nieces-Erin and Emily O'Leary; and his beloved cat- Raven (aka Snugglepuss). “ My buddy how bad did it hurt to loose you. I only knew you for a short while but I loved you. You were awesome always apologizing when you would hit your pendant for help. But it was always a pleasure to help you. You made me laugh. You talked about your life and family & you even made me cry as you became more ill and I had to walk out of your room to assist another resident you told me please don't go and held my hand. You were such a gentleman. The moment we walked in and found out you were gone we couldn't believe it. I walked right up to your door but I just couldn't go in within a few minutes I went in with a few coworkers and walked out Thorn apart seeing you lifeless. I then went back into your room with your son & daughter-in-law gave you a kiss & closed your eyes a little more. You were ice cold & your son and daughter-in-law just held me & my sister Nikita as all four of us were in tears. Buddy you will forever be missed. That very day you up to heaven June 1st was my oldest sons 14th birthday. We love you so much Ken you are no longer in pain nor suffering. May you forever rest in peace ❤️
