“ *I never got to spend as much time with Kevin as I'd of liked to because shortly after I married his sister in law we moved out of state. Upon returning here, I got to spend some time with him. He was such a nice guy. He welcomed me into his home and truly made me feel like family. This meant the world to me. I'm going to miss him a lot. My heart goes out to him and his family. May God bless you all and carry you through this difficult time. Love you guys!*

“ *I met Kevin 30 years ago when we spent 6 weeks working together. This led to a lifetime friendship where he was like a brother to me. I loved him and his family and it has been a gift to have them in my life. My heart goes out to Jen and Maggie for their loss. I will miss my late night phone calls from Kevin. Heaven just got a little more exciting.*

“ I'm so sorry to hear of Kevin's death. He went to school with my boys and was at our house many times. I pray comfort and the peace of Jesus over all the family. Grief is hard to deal with but Jesus is always there to comfort those left behind. Rely on that.

“ Kevin and I were class mates at Eastern Hancock. We spent countless hours together doing everything from baling hay, playing tennis, milking cows at Bodkins Dairy, shearing sheep, showing hogs, going to the Indy 500, going to concerts, playing in the band, fishing, hunting, occasional camp outs, cruising town and even doing a little unmentionable mischief at times. We saw the best and worse of each other but always enjoyed each others company. We lost contact after high school, I got married and started a family, then one night Kevin called me while in the Navy and told me how he had met the Lord. I only spoke with him a couple times since then, to my regret. I loved him as a dear friend and had so much fun with him those many years ago. I pray the Lord he met as a young man he now sees face to face.

*You will be missed by so many,

“ I met Kevin when I crossed trained to Citizen Action in Indy. He was always so funny! :) Also smart, welcoming and kind. It's been many years since but it was great to reconnect on FB a few years back. My thoughts and prayers are with his wife, daughter and family. RIP Kev!
