“ Wow. . I just heard the news. Kevin and Calvin and I were always together as little guys. Those were the days! riding bikes, laughing and having so much fun together as little kids in the neighborhood. I know he's in a better place and we will see him again.

“ Dear Neely Family...

so sorry for your loss... all the time we all would hang down at the park it was like one big family...staying there almost all day just to have sometime to do ...and going back to our homes after the park closed..as we all get older I hope we never forget the good times we had and one another ..May God bless you all on the coming weeks and give you peace knowing you will see you love ones again some day
