“ *We are deeply sorry for your loss. Although we did not know Tina for very long, we quickly knew that she was a remarkable young woman! She was very friendly, so kind and extremely talented. She was so hard working and very creative in all her projects. We feel your pain as we will also miss seeing her on a daily basis. Our prayers are with every member of her family.....especially Shannon, her parents and the immediate family. Tito & Naomi##imported-begin##Modesto Tamayo & Naomi##imported-end##*

“ I will truly miss Tina. When we got together it was always a good time. She had such an energy that lit up a room when she was around. She was a beautiful person with so much more to offer. The summers won't be the same without her. God's speed my friend. Until we meet for our next concert...##imported-begin##Susan Klasner##imported-end##
