“ I worked with Kwan at EDS / Bethlehem Steel Burns Harbor in the late 90's. Great guy, highly respected and full of knowledge. His passing saddened my day, and he will be missed.

I've known Kwan for at least 25 years he was a wonderful person! He was so kind to everyone and had the patience of a saint!! Especially when he got woken up at one or 2 o'clock in the morning when we had problems that needed to be corrected in runout . He will forever live in my heart and memories of a wonderful man.
