“ *I remember my uncle from my childhood and always feeling at home when we visited with the family. I went camping with them one summer and have wonderful memories of that. We also had family reunions at their home and loved the horses and fun that we shared together as a family. My prayers are with Aunt Nancy, and my cousins: Mike, Debbie & Beth. My husband and I are living in South Korea at this time so we cannot be there in attendance but will be praying for all of you as you go through this time of grieving. I pray that each of you have made sure that you are ready for eternity and don't put off the most important decision in life. I am prepared and thankful that the Lord Jesus forgave me of my sins. I have trusted in Him alone to get me to Heaven when I die. Please kiss Aunt Nancy on the cheek for me. Blessings*

“ Even though its been a while, my family always loved visiting with Dean and Nancy. I remember how kindly Dean spent time with my children and they adored him. He made a cold snowy day a wonderful memory for my children.
