“ Sheree, So sorry to hear of your dad's passing. I saw it in the paper and it brought back memories of our friendship in high school. I remember spending nights at your house and staying up all night just talking. I also remember your dad putting us in the trunk of the car to get into the Dunes Drive in for free. I thought that was the coolest thing to do. Just wanted to let you know you and your family were a part of my life that I remember back with fond memories.
