“ Our most sincere, heartfelt condolences to the Juzwicki family. Larry was a warm, personable man whom I got to know while we were chiefs of police. Larry was also a dedicated law enforcement professional for whom I had a great deal of respect. May he rest in peace, and may his memory be eternal.

“ God be with each dear one in the Juzwicki family. Please accept my deepest sympathy and feelings of sorrow on learning of Larry’s passing. Your father and brother John used to have those long summer afternoon baseball games. He was a gentleman, and one who served others his whole life with dignity, courage, honor, and valor. We spoke about meeting up in the South Haven cottage as that is about 1.5 hours south of where I live in Michigan. It says in Jeremiah God has a plan for our lives much different than our own. God was calling him home according to Ecclesiastes 3:1-8;

May God by way of his son Jesus Christ surround your family with a ring of Angels to comfort, protect, support and give peace according to each one's need during this time of grief, we all feel for such a wonderful man. I will miss him immensely. My most sincere empathy be with each dear one, as I understand what you are feeling and experiencing from within. I have been in your place all too often. God Bless and give you His Loving Peace in all the days that follow. Charles Robert Hoftey.

“ I first met Larry when I initially was hired on and got to know him more and more when my children started going to Hobart schools, what a great guy whom I am very fortunate I got to know him. Always shared his wisdom, particularly when I was a new officer. Moreover, I also want to thank him for his many years of service to the City of Hobart and also for his service to our country, tremendous achievements.

Always talked about his family, particularly his grandchildren, very proud family man, it showed on his face. So on behalf of my family, we are very sorry for your loss. Our thoughts and prayers go out to his family and friends and may God Bless him and watch over his family, and friends during this most difficult time. God Bless and God Speed. You will be missed Sir.

“ Everlasting be his memory! I believe Larry had the distinction of being the very first director of school safety and security for Merrillville schools. As a school board trustee from 1989 through 2006; I remember how much we (the board and administration) valued his professionalism and dedication to his work.
My sincerest condolences

“ *My heart is so broken 😞💔💔💔💔 Larry was so kind and had a heart of gold. I enjoyed having lunch with him for so many years. He taught me to appreciate everything in life, the good and the bad. He said, life is about lessons and all lessons make you better. Larry also told me last year, that it would be in my best interest to start my Masters Degree and his encouragement meant the world to me. I will miss all of his wonderful stories. RIP Dear Larry - You had an impact on us all. My condolences to the entire family.*

Larry was the kind of Chief you always wanted to work for and with. Not many come along like Larry. He always had a ear for listening, understanding and caring. He was a policeman's policeman. We played a lot of basketball and softball together, he was a team player, a go to guy. And what a loving husband and parent, it showed every day. He had the biggest smile you have ever seen and it made you smile. He was the kind of Chief that saw and sought out your talents; he was the Chief that promoted me from Detective to Supervisor of the Detective Bureau and I shall never forget that trust. To say I will miss him is an understatement, to say we all will miss him is truth. May God take a liking to you Larry, you deserve it.

'LJ' or "BIG LAR" as he was affectionately known to many of us, will truly be missed. Too many of the "great ones" are taken too early from us. I have been blessed and fortunate to call him a friend for close to 40 years. Whether it be softball, deer hunting, eating lunch, hanging out or working athletic events together you never saw him without a smile, a story, or a kind word for everyone he came in contact with. He was always there for many of us and to quote Larry, "you can't make this stuff up". God Bless Larry.
