So sorry to hear about Larry's passing. He was such a great guy to work with. We had fun carpooling and discussing our day. Larry really did enjoy life. Such a great friend. He was like an older brother.

“ *The best memories of my uncle were from my childhood and the time I spent at the house in Levittown. Mainly I remember how I felt when I was in his presence. There was never a time that he couldn't make me smile. In fact, I don't think it was possible for anyone to do anything but smile in his presence. He truly was the “cool uncle”! The world just got a bit darker without his light here.*

“ God saw he was getting tired, and a cure was not to be, so he put his arms around him and said “COME WITH ME”. With tearful eyes you watched him fade away. Although you loved him dearly, you could not make him stay. A golden heart stopped beating, hard working hands at rest. god broke your heart to prove to you he only takes the best.

Jim and I loved Larry, I have so many memories that puts a smile on my face when I think of them...we are keeping all of you in our thoughts and prayers. We will be there in Sprit.....fly high Larry till we meet again.....

*Love,
Beaner and Jim*
