“ Jay, Linda and Lauren - Words cannot explain how sad and heartbroken we are all feeling. Chris was and continues to be a gift to us all. We are so thankful and feel so blessed that we were fortunate enough to have had Chris be a part of our lives. He taught us so many things without even realizing it, just by being himself, always having a smile on his face and making everyone around him smile. He will be missed more than words can say and will always remain in our hearts.
