“ Randy, Steve and niece Bobbie:  
I am sorry that I was unable to attend and be with you and your family but I myself was under the weather. I will always remember Lillian as my patient and friend. We had some good laughs in the office and on the phone. She was a great lady with the deep raspy voice and had alot of wit. My deepest sympathy to all. My prayers and thoughts are with her. She is now resting and at peace and of course with you dad. He too, was a great guy and patient of mine. They both will be remembered.  
With friendship and love,
